Being a member of the SSAA Townsville Pistol Sub-Branch satisfies the condition of a concealable firearms licence in that the licensee must be a member of an approved pistol club.

In the case of category H licence holders, the licensee is to provide the club with the participation conditions, and any change to the participation conditions, to which the member's licence is subject in accordance with section 134 of the Queensland Weapons Act 1990. This is completed by way of the Category H Firearms Declaration form.

Please note that you must also maintain your SSAA Qld membership in order to be eligible for a Townsville Branch Inc Annual Amenities Range Pass.

Annual Amenities fees are due no later than **30th June 2024**

Any shooter who is already an Annual Amenities Range Pass holder for Shotgun or Longarms and would like to take up Pistol shooting (Category H) will be required to pay the difference in their current fees and Longarms/Pistol fee. Only then will the waiting period begin.

In order to keep our records accurate and correct please ensure all details are entered correctly and neatly. If you do not wish to renew your Annual Amenities Range Pass for 2024-2025, please advise so that our records can be updated.
